Earn more than just interest

Our focus is purely on providing savers with real and predictable value for money.

Mombo Sacco is an investment platform for the ambitious individual seeking to secure a healthy and financially-secured future.

Unlike many other saving accounts, Mombo Sacco savings account is simple. Our focus is purely on providing savers with real and predictable value for money. We take care of all processes, costs and risk management meaning that any savings with us is without hassle and its fee free too.

Why Mombo Sacco?

6% Annual returns

Get a 6% interest on savings and guaranteed dividends on all purchased shares.

100% Insurance on Savings

We insure all savings against critical illness, permanent disability, and death

Unemployment status benefits

We can temporarily halt your loan repayments in the event of job loss

Entrepreneurship advice

We offer entrepreneurship mentorship program to support your business ideas

Convenience

All solutions are digital, including the guaranteeing process, through Mombo App

Loan guarantee

We link you with other members who can guarantee your loan

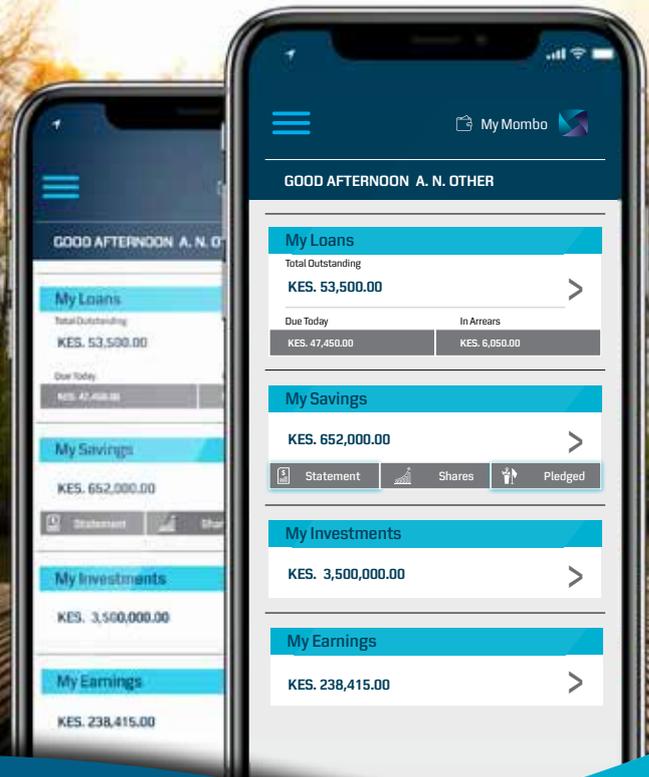

Mombo Sacco - the home of endless possibilities

Living by default is a sure way into mediocrity. Why wait, when you can make that sound financial decision today?

Choose to join Mombo Sacco today and opt to live by design

Make today pay.

We were founded to make money simple and fair for everyone; whether you are looking for a loan or to get better rewards for your investments.

We believe a loan should be there to help you, not to hold you back. And an investment should be rewarding, but also ethical.

Why take a loan with Mombo iCapital

1. Our simple and digital application process means that once approved, a borrower can get the funds into his account without delay.
2. A borrower can pay back some or all of his loan at any time without early repayment fees.
3. By cutting out the cost of the traditional lenders, we afford to offer a great rate.

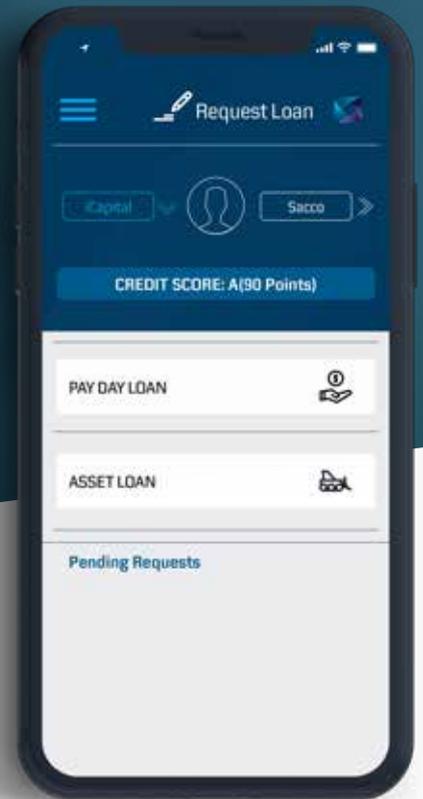

Why invest with Mombo iCapital

1. Our simple and digital application process means that once approved, a borrower can get the funds into his account within 10 mins.
2. Getting started is easy and an investor's money could be earning as soon as within 48Hrs.
3. We offer high returns of as much as 24% p.a

the Edgy Mobile Financial Partner

Mombo App goes right to the heart of the products and services that Mombo iCapital and Mombo Sacco jointly provide.

Mombo App offers unique and seamless service between two financial institutions, and most importantly, it will provide the same products tailored to your specific needs as if you were face to face with your financial specialist.

We are doing things differently

We are using cutting edge technology to sell memorable financial experiences along with our products, for even better, long lasting relationships.
